

Hideaway Happenings

Notes from Nora...

Winter 2018

Hi Everyone,

Winter is here, and it sure has been cold! I don't know about you, but I'm ready for Spring. There is still plenty of time to knit Winter Accessories. Hats are an especially fun and satisfying project. Stop in and we can help you find the perfect hat pattern.

Now that the holidays are over, it's time to do some personal knitting. Let us help you find the perfect project for yourself. We are always happy to help you find the project that you just have to knit. We have plenty of beautiful samples at the shop.

The Winter Olympics are coming, and once again we are doing our Olympic Challenge. Come to the shop during the Opening Ceremonies on Friday, February 9 and cast on a project that is challenging to you. Bring the finished project to the shop before the Closing Ceremonies and be entered in a drawing to win a \$50 gift card. It's lots of fun. Bring a snack to share to the Opening Ceremonies. Drinks will be provided.

Happy knitting and crocheting everyone!
Nora

Help Policy

We are always happy to assist a fellow knitter with any problems, but sometimes we are busy. If we can help you in 15 minutes or less, the help is no charge. If it's going to take longer, we ask that you schedule an appointment with a store employee. This is to better serve you, the customer. With an appointment, you will receive our undivided attention. The cost for help is \$10 hour. This is very reasonable considering the years of experience we have. Anyone signing up for a class will receive 60 minutes of free help on the class project. Please call ahead if you would like help with your class project. If you have any questions about the policy, please don't hesitate to ask.

"In the nineteenth century, knitting was prescribed to women as a cure for nervousness and hysteria. Many new knitters find this sort of hard to believe because, until you get good at it, knitting seems to cause those ailments.
