

# Hideaway Happenings

Notes from Nora...

Winter 2019

Hi Everyone,

Winter is here, and it sure has been cold and snowy lately! I liked the first two months of Winter better!! I don't know about you, but I'm ready for Spring. There is still plenty of time to knit Winter Accessories. Hats and cowls are an especially fun and satisfying project. Stop in and we can help you find the perfect pattern.

Now that the holidays are over, it's time to do some personal knitting. Let us help you find the perfect project for yourself. We are always happy to help you find the project that you just have to knit. We have plenty of beautiful samples at the shop.

We've got a good selection of classes this time. How about learning Brioche? It's really popular right now. Take our Brioche Cowl class, it's a fun, simple introduction. One of our KALs is a two-color yoked sweater. It's a good introduction to Fair Isle knitting.

Happy knitting and crocheting everyone!  
Nora

We are always happy to assist a fellow knitter with any problems, but sometimes we are busy. If we can help you in 15 minutes or less, the help is no charge. If it's going to take longer, we ask that you schedule an appointment with a store employee. This is to better serve you, the customer. With an appointment, you will receive our undivided attention. The cost for help is \$10 hour. This is very reasonable considering the years of experience we have. Anyone signing up for a class will receive 60 minutes of free help on the class project.
